Response to Amendment

The numbering of claims is not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When claims are canceled, the remaining claims must not be renumbered. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not).

In the amendment submitted 12/19/05, the claims were misnumbered erroneously leaving out number 39. Accordingly, misnumbered claims numbers 1-22 and 35-42 have been renumbered as claim numbers 1-22 and 35-41.

Allowable Subject Matter

Claims 1-22 and 35-41 are allowed.
